

18 liter wet and dry vacuum cleaner for private households

The Nilfisk Buddy II is a small, lightweight wet and dry vacuum cleaner and yet powerful. This 18 liter version will be the perfect choice when you need to pick up wet or dry debris in your home, your car, the workshop and hobbies. It is easy to move around and compact in storage.

- The light weight makes it handy to work with.
- 18 liter version with robust Polypropylene container.
- 1200 watt motor will pick up any debris you want to get rid of.
- The Blow function provides you with another option for cleaning.
- Two big wheels at the back and two rotation wheels in front make the machine very stable and easy to move around.
- The standard wet filter protects your turbine for a long lifetime.
- The built in accessory holder provides storage for your accessories so they are always at hand.
- Ergonomic grip so you will have a balanced machine when you carry it around. The grip is shaped so you can place the tube on top when having a break.
